

## Not Guilty

I stand accused  
There's a list a mile long  
Of all my sins  
Of everything that I've done wrong  
I'm so ashamed  
There's nowhere left for me to hide  
This is the day  
I must answer for my life

My fate is in the Judge's hands  
But then He turns to me and says

I know you, I love you  
I gave My life to save you  
Love paid the price for mercy  
My verdict not guilty

How can it be?  
I can't begin to comprehend  
What kind of grace  
Would take the place for all my sin?  
I stand in awe  
Now that I have been set free  
And the tears well up  
As I look at that cross  
'Cause it should have been me

My fate was in the nail scarred hands  
He stretched them out for me  
And said

I know you, I love you  
I gave My life to save you  
Love paid the price for mercy  
My verdict not guilty

I'm falling on my knees to thank You  
With everything I am I'll praise you  
So grateful for the words I heard  
You say

I know you, I love you  
I gave My life  
I know you, I love you  
I gave My life just to save you  
Love paid the price for mercy  
My verdict not guilty

Love paid the price for mercy  
My verdict not guilty, not guilty
