

One More River

Verse

I've had a lot of troubles and trials in my little life span.
When I stand alone and the battle gets hot, I always do the best I
can.
I must have crossed a million valleys, shed a million tears.
When I come to the river of Jordan, Hallelujah
Then I'll have no fear.

Chorus

One more river to cross, one more mountain to climb,
One more valley that I gotta go through
Leavin' all my troubles behind.
One more battle with the Devil and I know he'll understand.
I'm going through with Jesus, Hallelujah
Holding to his nail scarred hand, holding to his nail scarred hand.

Verse

There's been a lot of people talk about me since I've walked this
narrow way.
It's just another little valley, I'll come through it when I pray.
I've climbed a lot of high mountains, crossed a lot of little streams.
When I see old Jordan, cold and dark, that'll be the last for me.

Chorus

One more river to cross, one more mountain to climb,
One more valley that I gotta go through
Leavin' all my troubles behind.
One more battle with the Devil and I know he'll understand.
I'm going through with Jesus, Hallelujah
Holding to his nail scarred hand, holding to his nail scarred hand
